GMC- Lent course for Brigham Methodist Church and the Benefice of Brigham,

Clifton, Dean and Mosser 2019.

We have a choice of two courses this year and Sue has asked me find your preference.

1. At Home with Lent - Gordon Giles

This is an original way of approaching Lent, one that will encourage you to consider your own faith journey in the light of the Easter story. Inspired by Neil MacGregor's Radio 4 programme, 'A History of the World in 100 Objects', Gordon Giles spends each week in a different room gleaning spiritual lessons from everyday household objects. As a result, you might discover that finding God in the normal pattern of life - even in the mundane - transforms how you approach each day. Running as a thread through it all are the seven Rs of Lent: regret, repentance, resolution, recognition, reconciliation, renewal and resurrection.

The book will cost about £7 and requires daily reading in preparation for the weekly meeting.

2. DVD - Beautiful Witness

A flexible weekly study, ideal for small group discussion.
